

Press release

Marsa Maroc announces the signature on March 15, 2019 of a joint venture agreement with Eurogate International GmbH and Contship Italia SpA for their entry in the share capital of Marsa International Tangier Terminals SA (MINTT), which has as sole shareholder Marsa Maroc.

MINTT is a concession holder company for the design, financing, construction, operation and maintenance of the container terminal 3 of the Port of Tanger Med extension. The terminal has a nominal capacity of 1.5 million TEU and is expected to be commissioned mid of 2020.

This transaction, notified to the Competition Council, was cleared on January 31st, 2019.

The finalization of this operation is subject to the completion of the share capital increase.
