PRESS RELEASE

Signing of long-term credit financing documents by West Med Container Terminal (WMCT)

West Med Container Terminal (WMCT), concessionnaire of the Eastern Terminal of the port Nador West Med, signed on July 8th, 2026, a long-term credit agreement in the form of Project Finance, amounting to €196.7 million, with a consortium of Moroccan banks comprising Attijariwafa Bank Group as mandated lead arranger, Banque Centrale Populaire Group and Bank of Africa Group as arrangers.

This credit facility, with a 15-year maturity, is allocated to the partial financing of the construction costs of the first section of the Eastern Terminal of the port of Nador West Med, with a total investment of approximately €253 million.

The signing of this credit agreement is part of the execution of the financing plan for the Eastern Terminal project, which is scheduled to be commissioned during the last quarter of 2026.
